

AU Writing Support Presents:

Drop-In Writing Groups

The AU Writing Support Department is excited to announce Drop-In Writing Groups during Summer 2026.

- **Group 1** will meet on **Monday, July 20 & Monday, July 27** from **12-1:30pm PST**.
- **Group 2** will meet on **Monday, August 17 & Monday, August 24** from **12-1:30pm PST**.

Participants are welcome to attend both groups!

Each time you enter a Drop-In Writing Group, you'll set a goal and enjoy some timed writing bursts. At the conclusion of our time together, you'll reflect on what was accomplished and set a plan for what you will continue to work on post-group time.

Drop-In Writing Groups **do not require registration**. You may click the **Zoom link to join**. These groups are designed to create community writing spaces without the pressure of consulting one-on-one in a synchronous session. In addition, these groups are great for maintaining accountability, having company while writing, and fitting into challenging schedules that require flexibility. All writing groups are free and open to any Antiochian!

The July and August Drop-In Groups will be facilitated by the Writing Support Leadership Team on a rotating basis.
